WHO we are

TBI's Young Families is a thriving group comprised of two exciting and dynamic young communities— **TBI Young Families Minis (0—4 years old) and Juniors (K—2nd grade)** . TBI Young Families offers opportunities for families with young children to explore and cultivate Jewish life. We are building Jewish lives together, looking to connect with others in similar stages.

WHAT we do

TBI's Young Families programs help families experience and celebrate the joys of Jewish life, community and learning. We have a variety of events planned throughout the year that explore Jewish culture, holidays and traditions in a relaxed and casual atmosphere. We also like to have FUN – we plan various playdates for our children throughout the year and also some “adult only” outings.

All are welcome!

If you are interested in joining our piece of the TBI community or want to get involved, please contact Rabbi Danielle Parmenter at eddirector@tbibluebell.org or find us on Facebook at [facebook.com/TBIYoungFamilies](https://www.facebook.com/TBIYoungFamilies)
